

## Some GOOD news from Artpeace!

A big thank you from Lizeni Nasho of Artpeace. A recent article showed a very frail Lizeni who could not afford medical treatment and her rapidly declining health was a great concern to the cooperative and her family as she was the main breadwinner. However, a few days ago, Lizeni

sent the following message via her daughter Sandra's mobile as her own one is broken. 'Hi John, I almost died but thanks to all our UK friends I am well on the road to recovery and am so grateful as I have felt awful for most of the year and almost lost the will to live. My hands are still too weak to carve but hopefully this situation will improve. May God bless our UK supporters.'
